

POST-SURGICAL AND LEISURE COLLECTION

952 Zip-Front Post-Surgical Camisole with Drain Management

Function: Post-surgical camisole features a zipper front and detachable shoulder clasp for easy step-in entry. For added comfort, zipper features a comfort strip pad to prevent zipper irritation. Velcro attachable pouches fasten to the interior elastic band for drain management. Two Velcro attachable drain pouches and two triangle puff leisure forms are included with every camisole. Ideal for use immediately following a mastectomy or anytime drain management is needed.

Fabric: Body: 94% Cotton, 6% Spandex;
